

# Steps to Set Alternating Layouts Every 30 Seconds

## 2 Layouts

These are the two layouts I'm scheduling to alternate

Layouts										Filter	Add Layout	Import
	ID	Name	Description	Thumbnail	Owner	Permissions	Status					
<input type="checkbox"/>	6	MAO 1	O'Hare International Terminal		admin	Everyone,Users,admin						
<input type="checkbox"/>	7	MAO 2	Los Angeles International Airport		admin	Everyone,Users,admin						
<input type="checkbox"/> With Selected												
  1 - 2 / 2 (2)    10  1  												

# Steps to Set Alternating Layouts Every 30 Seconds

## Setting the Seconds

This setting is on both Layouts MAO 1 and MAO 2

Schedule Now X

**Layout** MAO 1  
Please select a Layout or Campaign for this Event to show

**Hours**   
Hours this event should be scheduled for

**Minutes**   
Minutes this event should be scheduled for

**Seconds** 30  
Seconds this event should be scheduled for

**Display** Operations - Lobby  
Please select one or more displays / groups for this event to be shown on.

**Display Order** 0  
Should this event have an order?

Priority?  
Sets whether or not this event has priority. If set the event will be show in preference to other events.
